

Leap Beta Tutors Preliminary exams Maths Clinics

LEAP Beta Tutors is presenting Maths Clinics where the Mathematics syllabus will be covered to prepare Learners for Grade 12 Preliminary exams to be written end of August & September 2017.

These sessions will highlight concepts done over the 3 terms that will be useful in completing the exams successfully. Each session will consist of small groups & each session will have a ratio of 1 tutor for every 5 students. This makes the sessions more affordable.

Individual Exam preparation lessons are also available on request.

Each of the 4 sessions will cost **R800** & this amount includes:

- In depth CAPS &/IEB Mathematics Paper 1 & Paper 2 Revision
- Revision Booklets & exam papers
- Prelim Exam preparation
- Study Tips & helpful exam techniques

Dates for the Math clinics are:

Session 1	19th August 2017
Session 2	20th August 2017
Session 3	26th August 2017
Session 4	27th August 2017

Venue: University of Pretoria

(Lecture hall name to be announced)

Time: 8:00-16:00

1 session is sufficient for Exam preparation; however, should a learner feel the need to attend more than once, they are welcome to do so.

Make a booking to attend a session by sending an email to leapbeta@gmail.com or call 081 715 8335 And visit our website www.leapbetatutors.com. We look forward to hearing from you.

“if you can’t explain it SIMPLY, you don’t understand it well enough”

Let us help you understand it better
